TRIGGERHEADS

Dip Tube Length

We sell triggers with a choice of two dip tube lengths - 9.25" and 7.25" . As a guide, the 9.25" are used with our 947ml bottles, also 1 litre bottles. The 7.25" ones are used with our 600ml, 650ml and 1066ml bottles, as well as 500ml bottles. The codes for 9.25" tubes end in **9**, the codes for 7.25" tubes end in **7**. Most triggers are in 28/400 neck size but some are available in 28/410 neck sizes (white Amazons, black Amazons and black Tolco 320CR triggers).
